1 Thinking out loud

Ed Sheeran
X

Tune down half step

intro:

[D] [D⁴F#] [G] [A]X2

- When your legs don't work like they used to
before
And I can't sweep you off of your feet
Will your mouth still remember the taste of my
love
Will your eyes still smile from your cheeks
And darling I will be loving you till we're
70
And baby my heart could still fall as hard at
23

Pre-chorus

People fall in love in mysterious ways
Maybe just the touch of hand
Well me I fall in love with you every single day
And I just wanna tell you I am
So honey now..

Take me into your loving arms
Kiss me under the light of a thousand stars
Place your head on my beating heart
I'm thinking out loud
And maybe we found love right where we are

- And when my hair's all but gone and my memory
fades
And the crowds don't remember my name
When my hands don't play the strings the same
way
I know you will still love me the same
Cause honey your soul could never grow old it's
evergreen
And baby your smile's forever in my mind and
memory
And i'm thinking bout how

Pre-chorus

People fall in love in mysterious ways
And maybe it's all part of plan
Well I'll continue making the same mistake
Hoping that you'll understand
That baby now..
Take me into your loving arms
Kiss me under the light of a thousand stars
Place your head on my beating heart
I'm thinking out loud

Interlude

That baby we found love right where we are

Solo

[D] [D⁴F#] [G] [A] X4
So baby now
Take me into your loving arms
Kiss me under the light of a thousand stars
Place your head on my beating heart
I'm thinking out loud

News of the world

Acapela

1. Buddy, you're a boy, make a big noise
Playin' in the street, gonna be a big man some day
You got mud on your face
You big disgrace
Kickin' your can all over the place, singin'

| *We will, we will rock you*
| *We will, we will rock you*
2. Buddy, you're a young man, hard man
Shouting in the street, gonna take on the world some
day
You got blood on your face
A big disgrace
Wavin' your banner all over the place

| *We will, we will rock you*
| *We will, we will rock you*
3. Buddy, you're an old man, poor man
Pleadin' with your eyes, gonna make you some peace

Big disgrace
Somebody better put you back into your place

Blue suede shoe

Elvis Presley

Elvis Presley

intro:

1. Well, it's one for the money,
 Two for the show,
 Three to get ready,
 Now go, cat, go.

But don't you step on my blue suede shoes.
You can do anything but lay off of my Blue suede shoes.

2. Well, you can knock me down,
 Step in my face,
 Slander my name
 All over the place.
 Do anything that you want to do, but uh-uh,
 Honey, lay off of my shoes

Don't you step on my Blue suede shoes.
Well you can do anything but lay off of my blue suede shoes.

3. You can burn my house,
 Steal my car,
 Drink my liquor
 From an old fruitjar.
 Do anything that you want to do, but uh-uh,
 Honey, lay off of my shoes

Don't you step on my Blue suede shoes.
Well you can do anything but lay off of my blue suede shoes.

outro:

Well it's a blue blue blue suede shoes
 Blue blue blue suede shoes
 Blue blue blue suede shoes
 Blue blue blue suede shoes
 You can do anything but lay off of my blue suede shoes.

Could it be worse?

And I will try to fix you,*

And I will try to fix you.*

1. *D* Je rêvais d'un autre monde *Bm* *F#*
D Où la terre serait ronde *Bm* *F#*
D Où la lune serait blonde *Bm* *F#*
D Et la vie serait féconde *Bm* *A* *G*

A Je dormais à poings fermés *G*
A Je ne voyais plus en pieds *G*
A Je rêvais réalité *G*
A Ma réalité

2. Je rêvais d'une autre terre
 Qui resterait un mystère
 Une terre moins terre-à-terre
 Oui je voulais tout foutre en l'air

Je marchais les yeux fermés
Je ne voyais plus mes pieds
Je rêvais réalité
Ma réalité m'a alité

3. Oui je rêvais de notre monde
 Et la terre est bien ronde
 Et la lune est si blonde
 Ce soir dansent les ombres du monde

À la rêver immobile
Elle m'a trouvé bien futile
Mais quand bouger l'a fait tourner
Ma réalité m'a pardonné
